Reproductions of archaeological and ethnographic aboriginal technologies

No synthetics, no simulations, each object is realistic and functional !

- ❖ Each item comes with a descriptive sheet containing usage and maintenance instructions.
- ❖ Prices are in Canadian dollars and do not include shipping fees.
- ❖ Availability is subject to changes. Expect at least one week for the production of some items.
- ❖ All objects being made by hand, they can show minor imperfections but none to affect their quality.
- ❖ The organic components of our products come from salvage, no animal is killed and no tree is cut.
- ❖ It is possible to make special requests to personalize or suggest an object.
