## Reproductions of archaeological and ethnographic aboriginal technologies

No synthetics, no simulations, each object is realistic and functional !

- Each item comes with a documentary sheet including use and care instructions.
- Prices are in Canadian dollars and do not include shipping fees.
- Availability is subject to change.
- Expect at least one week for the production of some items.
- The organic components of our products come from salvage.
- It is possible to make special requests to personalize or suggest an object.
